

Celebrating our 20th Anniversary, let our knowledgeable and professional sales team help you with all of your product placement, marketing and merchandising needs.

RVLI is a dedicated team of professionals serving all aspects of the outdoor recreation industry. From RV to Camping to Marine, RVLI has expertise and knowledge relating to all things outdoors. RVLI's commitment to its clients comes with over 100 years of combined experience bringing the best possible results to suppliers, distributors, dealers and consumers. Founded in 2002, RVLI is dedicated to the success of the products and suppliers we represent through the efforts and achievements of our sales and marketing teams.

Why RVLI?

Award-winning service that gets the job done right.

DEPENDABILITY

- We deliver what is promised, when it is promised.
- Our proactive attitude allows us to anticipate what our clients need.
- We maintain consistent communication with client's sales reps.
- Our listening ears are always on - we want to provide products, services, and knowledge that will allow your business to thrive.

KNOWLEDGE

- Extensive product knowledge - we know what the item does, how it works, and how to sell it successfully.
- Native knowledge on how to display, market, and sell to customers in order to continuously increase profitability.
- Exhaustive knowledge of competitor's products including key features and main differences.

SUPPORT

- Product training.
- Merchandising materials and ideas.
- Store set and Planogram placement.
- Show and Open House attendance.
- Maintain inventory of product samples to be utilized for marketing and sales needs.
- Marketing ideas to increase sales.

TOOLS

- RVLI Vendor Book with custom marketing pages designed to showcase all product with information and detail.
- Introduction to new products coming to market.
- Monthly newsletter with industry information.
- Product comparison charts.

ProPack™

Packaging, Inc.

ProPack knows the importance of cleaning products that are strong enough for the toughest jobs, yet gentle enough for even the smallest of helpers. From preventative maintenance to routine cleaning and scrubbing, we manufacture the right product that is not only the best you can buy, but also safe for the whole family - and the environment.

The cornerstone of our product performance comes from new chemical technology and repetitive testing. Our philosophy is to develop the absolute best product for a specific application, test it over and over again until we are completely satisfied - and then send it to our outside testing sites for confirmation.

We offer many different products to protect, clean and maintain your RV investment. With so many safe and effective products to choose from, we are confident you will agree that Kronen sanitation products and BEST Cleaners and Protectants are your complete source for RV cleaning and sanitation maintenance.

**When it comes to your RV and your family,
why settle for ordinary, when you can have the BEST!**

#1 CONSUMER RATED LINE OF RV CLEANDERS & PROTECTANTS

MILDEW STAIN REMOVER Item #39032

32 oz. spray

Removes mildew stains from vinyl cushions, vinyl chairs, boat tops, mats, vinyl canopies, tile, grout, shower stalls, curtains, awnings & more. Easy to use.

AWNING CLEANER Item #52032

32 oz. spray

Removes mold, mildew, dirt and grime. Helps protect against damaging sun rays, weathering and salt. Works great on acrylic, vinyl, synthetic and natural fabrics. Also great for outdoor furniture.

BUG-OFF Item #45032

32 oz. spray

Removes dead bugs from your windshield, front grill or any part of your vehicle! Just spray & wipe! Also effectively removes tree sap. Biodegradable and environmentally safe.

CARPET & UPHOLSTERY CLEANER Item #70032

32 oz. spray

Removes even the most stubborn stains. Leaves carpet and upholstery clean, bright and fresh with no sticky film to attract more dirt. Nonflammable and biodegradable.

ODOR ELIMINATOR Item #80032

32 oz. spray

Eliminates odors caused by pets, smoke, etc. at the source and freshens the air in your RV. Not a perfume which merely covers up odors. Safe for use on most fabrics and carpeting.

SPF 2000 Item #30032 & #30128

32 oz. spray & 128 oz.

Provides superior protection to awning, tires, dashboards, leather, vinyl, plastic, & more. Conditions & repels dust. 100% biodegradable and environmentally safe.

WATERPROOFER Item #63032

32 oz. spray

Creates a water-tight barrier against moisture, rot and mildew. Safe for all fabrics, including Sunbrella. Great for awnings, outdoor furniture, boat covers, clothing, umbrellas, fabrics or shoes.

SUPER STREAK Item #65032 & #65128

32 oz. spray & 128 oz.

A multi-purpose concentrated cleaner and de-greaser that removes things like grease and tar from tires, awnings, gutters, concrete and more!! Use diluted for routine cleaning, or concentrated for heavier dirt and grime.

WASH AND WAX Item #60032 & #60128

32 oz. & 128 oz.

Clean, shine and protect your RV in one-step! Designed for all RV, automotive or marine surfaces. Concentrated, rich foaming formula that shines without buffing.

ProPack™

Best RV products are made by the same type of folks that use them - and as a result, they are designed to deliver maximum performance at the best value. We know what you're looking for and we've perfected each formula so that you'll never be dissatisfied.

BLACK STREAK REMOVER

Item #50032 & #50128

32 oz. spray & 128 oz.

Easily removes black streaks and road grime build-up on any RV with minimal rubbing. Also great for tires, white walls, wheels and gutters. Safe for use on fiberglass, metal and painted surfaces when used as directed. Won't harm or fade decals.

RENEW 3000

Item #57032 & #57128

32 oz. spray & 128 oz.

Professional strength formula includes high-quality Carnuba wax. Effectively restores the shine to your vehicle. Use on fiberglass, aluminum, acrylic, ceramic tile, formica, stainless steel, chrome and porcelain.

RUBBER ROOF CLEANER

Item #55048 & #55128

48 oz. & 128 oz.

Extends the life of your rubber roof matting by cleaning and conditioning in one easy application. Professional strength, nonpetroleum formula safely and easily removes black streaks, surface oxidation and road film buildup as it moisturizes, conditions and preserves your rubber roof. Contains UV block.

RV CARE KIT

Item #99001

Complete RV Maintenance in one box! Each kit contains one (1) 32 oz. bottle of each of our five most popular products - plus a bonus Microfiber Wash Mitt, and our exclusive RV Care & Maintenance Guide. Wash & Wax - Bug Off - Black Streak Remover - Carpet Upholstery Cleaner - Awning Cleaner

UNCOVER MORE TIME OUTDOORS™

OUR BEST SELECTION OF
RECREATIONAL VEHICLE
COVERS & ACCESSORIES

Why Choose Classic Accessories RV Covers?

- ✔ Protects against all the elements—rain, sun, wind, snow, hot or cold
- ✔ Longest, hassle-free warranty in the business
- ✔ Perfect fit for any coach, even those extra tall Class A and 5th wheel models
- ✔ Best cover features—most durable and lightweight RV covers make installation a breeze

Encompass™ RV Covers

- Extra strength ripstop fabric repels water and protects against dirt and sun damage
- Air vent system and quick drying fabric combine to reduce wind stress and vent inside moisture
- Adjustable tension panels and elasticized hem corners provide a custom-like fit
- Zippered panels allow access to the RV doors and storage compartments
- Long zipper pulls reduce the need for a ladder
- Integrated strap attachment and weighted toss bag system eliminates crawling under the RV to install tension straps
- Tension panels reduce cover stress when tightening the straps
- Includes SoftGuard™ foam inserts to help protect your cover from sharp edges
- Includes a reinforcement patch kit
- Storage bag included

Includes SoftGuard™ sharp edge protectors

Encompass™ Fabric

100% WOVEN POLYESTER RIPSTOP

Tear-resistant | Water-repellent | Bird droppings protection | Dirt, dust and scratch protection | UV protection | Snow protection

- Breathable
- Water-repellent
- Bird dropping protection
- Dirt, dust and scratch protection

Power Inlets

ParkPower® Power Inlets are the industry standard. Offered in three styles, they all feature robust construction and corrosion-resistant materials for long life in the harsh environments. Each has technical features that make them easy to install and a pleasure to use.

- Easy Lock™—ParkPower's exclusive Easy Lock™ System has been designed to connect the cordset (with an Easy Lock™ sealing ring installed) to the inlet and turn the locking ring less than a quarter turn. The tabs on the locking ring lock into the inlet for a positive watertight hook-up while eliminating any chance of cross threading. Easy Lock™ inlets have a threaded boss that will accept standard threaded cordsets as well.
- The covers on all ParkPower inlets are designed to stay hinged open when the cover is lifted up. This allows the RV'er to connect their detachable power cord while the cover remains open and out of the way. A soft touch unlocks it for closing.
- Blades are nickel plated brass for maximum corrosion resistance.
- Interior hardware is high grade stainless steel.
- **IMPROVED** Extra large tab provides more area to simplify opening and closing.
- **IMPROVED Rear Enclosure**
 - Made of flame-resistant UL94V0 plastic
 - All rear enclosures are glass-filled polyester for strength
 - Integral strain relief
 - Multiple positions allow for maximum installation flexibility

5 YEAR WARRANTY

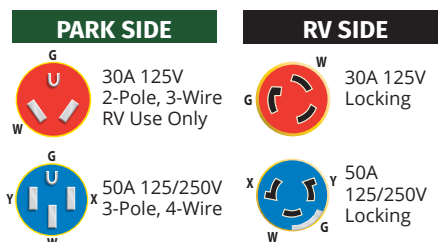

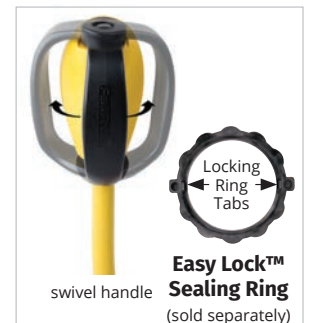

Cordsets

All ParkPower® Cordsets are made of the highest quality construction with features you won't find on other power cords.

- Watertight molded plug and connector for safety and durability
- Heavy duty, super flexible marine-grade cable (30 amp 10 gauge, 50 amp 6 gauge)
- All models include a standard threaded ring for hook-up to ordinary threaded inlets
- Durable, bend resistant contacts
- **Power Indicator Light:** RV side connector features a molded-in LED light. When it glows red, you know you have power to the RV.
- **Contour Grip with Thumbprint Locator:** Both plug and connector ends are molded to fit the contour of your hand. When the thumbprint is in the 11 o'clock position, the blades line up for easy connection.
- **Swivel Head Handle:** Large Grip Swivel handle allows box cover to close. Keeps hand away from dangerous high voltage contacts. Easier to insert and remove electrical plug. Meets and exceeds rigorous UL testing standards.
- **ParkPower's Easy Lock™ System:** quickly locks the cord set to the inlet in just 1/8 of a turn. The tabs on the locking ring lock into the inlet for a positive watertight hookup. The exclusive locking tabs engage slots built into all ParkPower inlets. (sold separately)

TV & HDMI Inlet

TV & HDMI Inlet provides HDMI and cable TV connectors in one housing, reducing space on the RV. This inlet is designed with all the same features common in ParkPower inlets, such as UV stabilized glass-filled polyester construction for long-lasting strength and a soft touch cover.

- Soft touch covers are designed to stay hinged open when the cover is lifted up. A soft touch unlocks it for closing.
- Extra large tab provides more area to simplify opening and closing

A ProMarine Company

TruePower Plus Inverters

Designed to convert 12V DC battery power to 115V AC and will automatically pass through AC Inlet power when present. Features including: Innovative dual color digital LCD message center, dual color gauges for AC power output and battery DC input, USB power port, GFCI convenience outlets, DC cable covers, and separate on/off remote.

Pure Sine Wave

07100 1000W
07200 2000W

For over 20 years, Progressive Industries has been dedicated to protecting your RV from faulty electrical conditions. All Progressive Industries' Surge Protectors detect and/or protect from poor and/or unsafe electrical conditions such as: open ground, open neutral and reverse polarity. Designed to protect RV electronics from power surges by absorbing the surge and indicating the product has been compromised.

*Lifetime Warranty does not include All Weather Shield Assembly

PORTABLE SURGE PROTECTORS

Portable Smart Surge Protectors (SSP)

Progressive Industries Smart Surge Protectors (SSP) are portable surge protectors with the added benefit of a built in polarity protector that checks the status of the power source prior to use – providing an extra level of protection. The compact footprint and intuitive design simplifies storage and usage.

- Open ground, open neutral & reverse polarity detection
 - Mis-wired pedestal indication
 - Surge failure indicator
 - Thermally protected
 - Brighter 3-color LED indicators
 - Rugged pull handle
 - Weather resistant /designed for outdoor use
- SSP-30XL & SSP-50XL models include:**
- All weather shield assembly with tough Lexan housing
 - Cable splash-up guard
 - Security locking bracket
- Surge ratings:**
- 30A: 22,500A max spike / 825 joules
 - 50A: 45,000A max spike / 1,650 joule

Includes All Weather Shield*

SSP-30XL 30A, 120V, 3,600W
 SSP-50XL 50A, 120/240V, 12,000W

all weather shield

SSP-50XL

EMS Portable Surge Protectors

Progressive Industries' portable Electrical Management System (EMS) protects your RV from incorrectly wired shore power, voltage fluctuations and numerous other problems that can cause damage to RV electronics.

- Open ground, open neutral & reverse polarity detection and protection
- High and low voltage protection (Low <104, High 123>)
- A/C frequency protection
- Time delay (136 seconds)
- Current indication
- Previous error code (PE)
- Surge failure indicator
- All weather shield assembly with tough Lexan housing
- Security locking bracket
- Thermally protected
- Rugged pull handle
- Built-in scrolling digital display
- Weather resistant /designed for outdoor use

Surge ratings:

- 30A: 44,000A max spike / 1,790 joules
- 50A: 88,000A max spike / 3,580 joule

Portable Surge Protector Kits **NEW**

Portable Surge Protector Kits contain a separate receptacle tester to detect wiring faults at the pedestal and surge module to attach to the detachable power cord. Separating the two functions reduces the size of the product while increasing protection from inclement weather. Kit contains receptacle tester and surge module.

RV Receptacle Testers **NEW**

RV Receptacle Testers detect wiring faults at the pedestal, including open ground, open neutral, open hot, hot/neutral reversed and hot/ground reversed. Includes swivel handle for easy removal from the pedestal.

RSM-30

RSM-50

RV Surge Modules **NEW**

RV Surge Modules attach to the detachable power cord to provide surge protection. The compact size increases protection from inclement weather. Contains surge protection indicator alerting user when depleted.

Surge module ratings:

- 30A: 22,500A max spike / 1,100 joules
- 50A: 45,000A max spike / 2,030 joules

Resettable Circuit Breaker Adapter **NEW**

50A RV male to (2) 15A female Resettable Circuit Breaker Adapter provides 2 resettable 15A receptacles from a 50A pedestal. This adapter is designed for 30A RV users that do not want to draw additional power from their 30A or 15A service which may trip breakers at the pedestal. Each 15A receptacle is wired independently to an illuminated circuit breaker making it the safest and easiest to use solution for additional 15A power. The compact design allows the electrical box to close and makes it optimal for use with power strips and extension cords.

CBA-5015

HARDWIRED SURGE PROTECTORS

- Permanently installed on the vehicle
- Always available after installation
- Protected from outdoor conditions

EMS Hardwired Surge Protectors

Progressive Industries' hardwired Electrical Management System (EMS) protects your RV from incorrectly wired shore power, voltage fluctuations and numerous other problems that can cause damage to RV electronics.

- Over/Under voltage protection
- Open ground, open neutral & reverse polarity protection
- High and low voltage protection (Low <104, High 123>)
- Current indication
- Previous error code
- A/C frequency protection
- (2) Adjustable time delay settings
- Remote digital display (HW50C & HW30C models only)
- Built-in digital display (LCHW50 & LCHW30 models only)
- Field serviceable
- UL certified and meets CSA standards

Remote Digital Display

- EMS-HW30C 30A, 120V, 3,600W
- EMS-HW50C 50A, 240V, 12,000W

Built-in Digital Display

- EMS-LCHW50C 50A, 240V, 12,000W

EMS-LCHW50C

EMS-HW30C

Blue Sea Systems was founded in 1992 based on a commitment to create innovative, high quality electrical products to improve the safety, simplicity, and reliability of equipment. Since that time the range of product has expanded to over 1,000 items and distributed to customers in over 50 countries to Marine, RV, Industrial and Specialty Vehicle markets. The company is committed to offering quality products that are engineered for harsh environments, built to last, with a guarantee of satisfaction and industry leading technical support.

PowerGuard PRO Battery Box **NEW**

Upward facing vents let gases out while reducing water in-take by 94% - vs. PowerGuard 27 Series. Polypropylene Composite material is impervious to acid leak and other external factors. Engineered spill channels direct water away from the battery. Folding entry panels provide easy access to the battery terminals without the need to remove the mounting strap. Versatile bidirectional design allows contact from any angle. Ergonomic handles provide more comfort when transporting the battery

Dimensions with Lid Installed (L x W x H)

Inside Dim. 13-1/8" x 7" x 11"

Outside Dim. 21" x 11-1/4" x 11-1/2"

9067-1

PowerGuard 27 Battery Box

Vented black battery box for Series 27 batteries (8-1/2" maximum battery block height, 10-1/2" maximum battery height with terminals). Polypropylene construction for total acid resistance. 40" hold-down straps resist 350 lbs. of force. Drop tested in temperatures ranging from -20°F to +120°F. Mounting hardware included.

- Four cable openings, enlarged to 0.55" diameter
- Larger handles with rolled edges
- Instructions molded inside cover

LITHIUM DEEP CYCLE BATTERIES

When your journey involves countless miles or remote campsites, you need a trustworthy battery that won't hold you back. Lightweight RELiON lithium iron phosphate (LiFePO₄) batteries are maintenance-free, fast-charging and environmentally friendly to provide reliable power and peace of mind while you enjoy some well-earned peace and quiet.

ADVANTAGES FOR RECREATIONAL VEHICLES

It's hard to beat a RELiON lithium iron phosphate (LiFePO₄) battery when they deliver everything you need to support life on the road and off-the-grid. Inherently safe and lightweight, you'll not only travel further more efficiently, you'll do it with less of a footprint without sacrificing power, performance and reliability.

MORE USABLE CAPACITY

Lithium batteries allow you to use 100% of their capacity, regardless of the rate of discharge. So, run all your electronics and know that you have ample reserves, even when you're boondocking.

CONSTANT POWER

Full power available throughout discharge. Voltage does not drop like lead-acid.

LONGER LIFE

RELiON lithium batteries provide up to 10 times longer life than lead-acid batteries, and they still provide 80% of rated capacity after 2,000 cycles.

ECO-FRIENDLY & SAFE

RELiON lithium batteries create no exhaust fumes so you can use them in a confined space with no ill effects. No gassing, no fumes, and no pollution.

PARTIAL STATE OF CHARGE TOLERANCE

Partial charging does not affect performance quality or battery life. A low self-discharge rate means worry-free storage so even occasional users can be assured of reliable performance.

LIGHTER WEIGHT

50-60% less weight than lead-acid equivalent.

INSTALLATION FLEXIBILITY

Can be installed upright or on its side.

MAINTENANCE-FREE

Plug, play and charge. No watering.

TEMPERATURE TOLERANCE

2.5X more efficient operation at low temperatures. Safely operational up to 149°F (65°C).

OUR PRODUCTS

Whether you're living on the road or an enthusiastic weekend warrior, you want reliable power both on and off the grid. We have one of the largest LiFePO4 product offerings available with 12V and 24V batteries available in a variety of BCI standard sizes for easy drop-in replacement.

WHICH RELION BATTERY IS RIGHT FOR YOUR RV?

With so many different configurations, applications and needs, finding a battery that checks all the boxes can be a challenge. Below find common batteries for use in different classes of RVs.

	CLASS	TYPICAL POWER SYSTEM	SHORE POWER SERVICE (Maximum Current)	RELION BATTERY REPLACEMENT MODEL (Single or multiples in series or parallel to meet voltage/capacity needs)
	Class A	12-48 volt system powered by banks of 6V AGM batteries.	50 Amp	RB200, RB300, InSight 12V
	Class B	12-24 volt systems powered by banks of 12V AGM batteries.	30-50 Amp	RB75, RB80, RB100, RB100-LT, InSight 12V
	Class C	12-24 volt systems powered by banks of 12V AGM batteries.	30-50 Amp	RB100, RB100-LT, InSight 12V
	5th Wheel	12-24 volt systems powered by banks of 12V AGM batteries.	30-50 Amp	RB100, RB100-LT, InSight 12V
	Toy Hauler	12-24 volt systems powered by banks of 12V AGM batteries.	30-50 Amp	RB80, RB100, RB100-LT, InSight 12V
	Travel Trailer	12-24 volt systems powered by banks of 12V AGM batteries.	15-30 Amp	RB60, RB75, RB80, RB100, RB100-LT, InSight 12V
	Pop-Up	12 volt systems powered by U1 or Group 24 batteries	15 Amp	RB35, RB52, RB60, RB75

POWER IN A CLASS OF ITS OWN

From powering the essentials to the non-essentials, RELiON lithium batteries allow you to disconnect further from the grid, powering electronics longer and connecting to shore power less.

INSIGHT 12V

The InSight Series™ 12V battery, designed specifically for RV deep cycle applications, is capable of 2,048 watts continuous from a single battery. This 120Ah powerhouse lithium battery can output 160A continuous and offers higher peak discharge, allowing you to run multiple appliances at the same time!

WEATHER ANY SEASON WITH THE LT SERIES

Our Low Temperature (LT) Series lithium batteries are cold-weather performance batteries that can charge at temperatures down to -20°C (-4°F).

How? The system features proprietary technology that draws power from the charger itself, requiring no additional components. The entire process of heating and charging is completely seamless. Simply plug the battery into the regular lithium charger and the internal heating and monitoring system takes care of the rest.

WE STAND BEHIND OUR PRODUCT!
10 YEAR WARRANTY

Outlaw^{1072s}

PORTABLE POWER STATION

RELi³ON[®]

Power Without Li³imits

The Outlaw™ 1072S is a portable, renewable power source that puts lithium power right at the tips of your fingers. At only 32 lbs, the Outlaw is versatile enough to be used for a variety of applications. Take it with you on camping trips, use it as an alternative power source at home or have it ready in case of an emergency power outage. It can be used to charge a number of appliances and electronics, so you have safe, long-lasting power on-hand without the noise and fumes of a gas generator.

3 WAYS TO CHARGE

⚡ AT HOME, IN THE SUN, OR ON THE RUN

Features

- 1000 Watts | 921 Watt Hours
- 72 Amp Hours
- Pure Sine Wave Inverter
- Solar Panel Compatible
- Elevated Vents for Internal Cooling
- Internal Battery Management System

FEATURES OF THE OUTLAW 1072S:

- ✔ **Multiple Ways to Use:** It features 2 AC, 3 USB-A, 2 USB-C, 2 barrel jacks at 12V, 12V car port plug, and an EC5 30amp DC port
- ✔ **Easy to Recharge:** AC wall charger included and 12-25V/160W max solar input charging
- ✔ **High Capacity:** 921.6Wh (72Ah) LiFePO4 battery capacity with a 1000W pure sine wave inverter capable of 2000W peak
- ✔ **Safe & Reliable:** Lithium iron phosphate chemistry that's inherently safe. The battery management system (BMS) and UL1642 certified internal cells provide multiple layers of protection.
- ✔ **LCD Screen:** Displays battery life, watts in/out and remaining run time.
- ✔ **Long Life:** 3500+ cycles at 80% depth of discharge means long-lasting power
- ✔ **Dimensions and weight:** 14.5" (368mm) L x 7.9" (200mm) W x 10.9" (276mm) H, 32 lbs (14.5kg).

- 12V Car Port
- Quick Port (30A in/out)
- AC Outputs
Region Specific
- AC Power Button
- Input DC in Charger Port

LCD Screen Displays Remaining Capacity and Runtime plus Watts In/Out

- 3 Type-A Outputs
- 2 Type-C Outputs
- DC Power Button
- 2 DC Output Ports

12-906	9-Way RV Connector Plug
12-907	9-Way RV Connector Socket

*Consists of 11-409 Plug and 11-410 Socket

**Consists of 11-402 Plug and 11-404 Socket

- High impact plug interiors are secured with a key and keyway to eliminate twisting (disorientation) and breakage from forces that are applied in normal function
- Extended exterior and socket conceals terminals
- Unique cable clamps prevent chafing, giving more cable support and saving installation time
- Stainless steel spring
- Dust and water resistant
- Polarized for proper wiring
- Terminals accept up to 12-gauge wire
- Two ¼" diameter mounting holes on 4-Way sockets. 2¼" on center. Mounts through 1¾" diameter hole
- Interchangeable with competitive brands

DESIGN MAKES THE DIFFERENCE

RV 7 WAY CONNECTORS PLUGS & HARNESES

- Color coded to RVI standards
- Optimum slant mount and drain slot prevents housing interior from accumulating moisture
- Will accept the widest range of wire gauges from from 16-gauge wire to 8-gauge ground wire. Ground terminal pin #1 will accept 14-gauge min. to 8-gauge max. Other terminals will accept 16-gauge min. to 10-gauge max.
- 40 amp continuous duty at 6 - 28 volts
- Integral finger grips for positive pull
- Interchangeable with competitive brands

ACCESSORIES FOR TRAILER TOW

Part Number	Description
11-761	7-Pole Rubber Socket Boot
11-617	Connector Bracket Designed to Fit under the Trailer Tongue, Ball, or 2-Hole Frame Mount
11-771	7-Pole Socket Bracket
12-701U	Right Angle Mounting Bracket for 11-893, 12-703, 12-707, 12-701U; Heavy Gauge Steel
12-711U	Right Angle Mounting Bracket for 11-893, 12-703, 12-707, 12-701U; Black Epoxy Coated Heavy Gauge Steel

ADAPTERS FOR RV AND HEAVY DUTY APPLICATIONS

Part Number	Description
12-716	7-Pole to 4-Pole
12-717	6-Pole to 4-Pole
12-719	7-Pole to 6-Pole Adapter Includes Brake Pin in Center
12-729	7-Pole to 6-Pole Adapter Includes Auxiliary Pin in Center
12-723	4-Way Flat Plug to 7-Way RV Type Socket
12-724	7-Way Pin Plug to 7-Way RV Type Socket
12-610	4-Way Flat Plug to 6-Way Round Metal Socket
12-742	7-Way Pin Plug to 4-Way Flat Adapter

- Quick and easy connections
- Non-corrosive nylon shell and insert
- Eliminates makeshift jumpers
- Interchangeable with competitive brands

DESIGN MAKES THE DIFFERENCE

TESTERS

Part Number	Description
12-741	7-Way RV Socket LED Circuit Tester (Blade)
12-777	7-Way Socket LED Circuit Tester (Round Pin)
12-410	4-Way LED Tester

- Circuit tester plugs into the 7-Way or 4-Way connector on your RV. LED lights indicate which functions (brake, turn, tail, stop, reverse and 12V) are properly working

TAIL LIGHT CONVERTERS

Part Number	Description
12-750	Heavy Duty 60"
12-751	Regular Duty 60"
12-752	3-Way to 2-Way Converter

Prest-O-Fit is part of a family-owned and operated company located in Chandler, Arizona. In business for over 40 years, the company is founded on family values, the well-being of its employees, pride in its products and impeccable customer service. Prest-O-Fit products are more than decoration - they make the RV lifestyle more livable and functional. Prest-O-Fit has continued to develop many innovative, quality products that address the unique needs of recreational vehicle users. We make products with purpose for RVers.

Surface Mate
PATIO RUG

Surface Mate Patio Rug

- UV-protected against sun damage & fading
- Finished on all edges
- Solid marine backing prevents dirt & mud from coming through
- Resistant to mold & mildew

Stake, stick or snap your Surface Mate Patio Rug into place. Four hooked-fiber strips with snap fasteners sewn into the corners give you the freedom to attach the rug to a variety of surfaces. Stake the rug into soft ground using the included metal stakes with washers and highly durable straps, or for a more permanent attachment, drill the four included snap fastener screws into place on a hard wood deck, then simply snap the rug in place. All-weather rugs are made of heavy-duty outdoor turf that features UV-protection plus mold and mildew resistance. Rugs are finished on all edges to prevent fraying and easy to clean.

	Stone Gray	Brown Tan	Green	Imperial Blue	Espresso
6' x 9'	2-1184	2-1181	2-1180	2-1183	2-1182

UNIVERSAL REPLACEMENT CO/Propane Gas RV Alarm

2021 WINNER
AFTERMARKET PRODUCT
OF THE YEAR

4 alarms to replace almost all CO/Propane alarms

LOWEST POWER DRAW ON THE MARKET

Lower power means the RV battery will last up to 5x longer in storage and camping.

BARELY THERE DESIGN

Low profile with a softly curved shape to make less obtrusive.

FEWER FALSE ALARMS

from non-threatening chemicals and gases due to highly selective carbon monoxide sensor.

Each alarm includes 2 universal mounting brackets

SUITABLE FOR REPLACING:

- Safe-T-Alert™ 20 series, 25 series, 30 series, 35 series, 40 series, 45 series, 65 series, 70 series and 85 series
- Most Atwood and Dometic branded CO/Propane alarms
- Universal mounting brackets allow replacement of almost all detectors on the market

RV Safe alarms

More about RV Safe

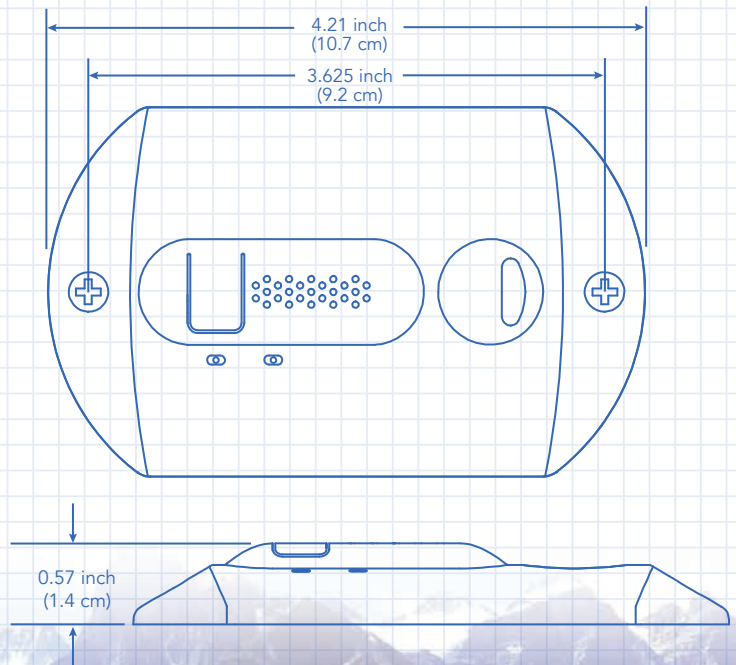

- Simple to install. No sawing or routers needed.
- Low profile (0.57" thick) with a softly curved shape to make less obtrusive.
- Fewer false alarms from non-threatening chemicals and gases due to highly selective carbon monoxide sensor.
- Powered from 12VDC RV battery.
- Reduced battery drain due to unique low power design.
- Test / Silence button allows for easy testing of the alarm and quickly silence nuisance alarms.
- Meets or exceeds all UL2034 and CSA 6.19-01 requirements for carbon monoxide alarms in recreational vehicles.
- Meets or exceeds all UL1484 requirements for propane gas alarms in recreational vehicles.
- Electrical Rating: 13.5VDC, 22mA typical (88mA max).
- Alarm activates with a four beep pattern with a flashing red LED for CO gas, or a continuous beeping with a solid red LED for Propane gas. If both gases are present, the alarm will indicate Propane as it requires more immediate action.
- Assembled with state of the art, robotic automation to produce consistently high quality and reliability.
- Designed, tooled and assembled in the USA.

White Plastic Option

SPECIFICATIONS:

- Operating Temperature: -40°F to 150°F (-40°C to 66°C)
- Length: 4.21 in (10.7 cm)
- Height: 0.57 in (1.4 cm)
- Hole Spacing: 3.625 in (9.2 cm)
- Weight: 1.3 oz (37 g)
- Sound Pressure: 85 db
- Voltage Requirements: 9 to 15 VDC
- Current Draw: 22mA at 13.5 VDC
- CO Sensitivity: 70 ppm for 60 to 120 minutes
150 ppm for 10 to 30 minutes
400 ppm for 4 to 15 minutes
- LP Sensitivity: 5250 ppm (<25% LEL)
- Listings: ETL, cETL, CSA 6.19.01
- Listing Standards: UL 2034 (CO)
UL 1484 (Propane)

We are

SPECIALTY RECREATION

A family-owned company located in sunny California. We've been in the RV business since 1971 and have been supplying products to the aftermarket for over 30 years.

Having been in the business for almost a half century, we know a thing or two about our customer's needs and wants. We are constantly striving to bring the RV aftermarket new products for today's consumers.

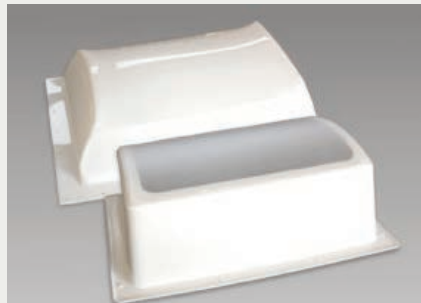

Our main products lines consist of bath products and skylights. We offer one of the largest selections of skylight sizes and colors. With 50% more size options than our competitors, it's easier to find the size you're looking for in-stock. We also offer a full line of replacement bath walls, tubs and shower pans.

SKYLIGHT KITS

Outer skylight,
inner garnish and sealant.

K1422WT	14 x 22	14 x 22	6
K1414W	14 x 14	14 x 14	3.5

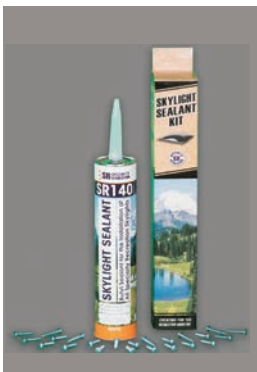

Additional Sizes Available!

MEASURING A SKYLIGHT

To find the correct size skylight, measure your rough hole dimension. Then compare that to our skylight sizes, which all go by the rough hole dimension.

When measuring for a neo angle skylight, find a 90 degree angle and measure the long (X) and the short (Y) sides then compare your dimensions to our skylight sizes.

SKYLIGHT SEALANT KIT

Take the guesswork out of skylight installation with this kit.

Includes everything your customers need for successful installation. Approved sealant and correct size screws with directions for install.

SR33150 - Single box
SR33150P - Six-pack in a shelf ready cut box

SKYLIGHT SEALANT

A single tube of approved sealant for skylight installation.

This sealant eliminates harmful chemicals that eat through polycarbonatem, ensuring a longer lasting installs

SR140 - Single box
SR140BX - Six-pack in a shelf ready cut box
